High School and University Teams Play Yesterday.

Yesterday afternoon on the Fairmount oliege campus the football team from the Sumner County High school and on the brow of the Fairmount athletes, having won their game with a score of 10 to 0. These two teams have met beyesterday was to determine in a sense which team could call themselves the victors and was onl vanother stage in the rivalry which has existed for some time. A large crowd lined the field and thorsughly enjoyed the sport which for the most part was clean, free from dispute and unmanly playing. The day from a cotball enthusiast's standpoint was ideal for the game. With a combination of crowd, weather and rivalry, it was a hing which would inspire any athlete to a more determined effort to win victory. The teams in regard to weight were early equal, with perhaps the advantage with the Wellington men. At all events ting into play and this was one of the things which helped to bring them the

One of the hardest and most fiercely contested game of football played upon Wichita gridiron this season was between the Wichita high school and Friends university on the latter's campus yesterday afternoon. The game resulted in a score of 5 to 8. The contest was fast and enappy. The Friends have always been noted for playing football and expected to increase their speed today by using the "series play," the high school introduced in Wiehits in their game two weeks ago, whereby the ball is carried around the ends and through the line continuously by different calling of signals. But the Friends found also had their signals to such a degree ging through the lines or chargin tred that the ball had been put into play The day was an ideal one for footba and a large and appreciative crowd was

Pinkham's Vegetable Compound, Sanative Wash, and Liver Pills. When I began their use I thought there was no hope for me. I had had the best doctor in our town and grew worse every day. I gave up the use of his medicine and began using your remedies, and to-day I am in better health than I have been for several years. I feel I owe it all to you, and can say that your medicine cannot be praised too highly. I shall always advise all suffering from female trouble to use your Vegetable Compound. I know it saved me from the grave.
"I thank you for your kind advice in regard to my health."—Mas. ANNIE METZ, Caseyville, Ky. Gratitude for recovered health makes generous hearts. Women who seek Mrs. Pinkha advice are promptly helped, and they want all sick women to know about it. Mrs. Pinkham's advice is free. Her address is Lynn, Mass. MRS. WII. STONE, North Dana, Mass., writes: "DEAR MRS. PINKHAM:-I have followed your kind and free advice and am to-day a new woman. My last doctor told me I would have to go through an operation before I could be well. I had womb and ovarian trouble. I would suffer something terrible, such pain in my left side, and it seemed as though I was all falling to pieces. Was nervous all the time, and could not sleep nights. I cannot thank you enough for being so kind. I shall always recommend Lydia E. Pinkham's Vegetable Compound, and hope that my letter may benefit some other poor suffering woman." Lydia E. Pinkham's Vegetable Compound has made a constant record of cures for thirty years. It acts directly on the female organism and makes it healthy, relieving and ouring all inflammation and displacements. MRS. IMPELD, 509 Jefferson Place, Union Hill, N. J., writes: "DEAR MRS, PINEHAM:-I have you to thank for my health and strength. I have taken your medicine for two years. Before I began its use I was so weak that after I had worked an hour in the morning I was obliged to lie down. I had fearful headaches, could not sleep, had palpitation of the heart, was always tired, and suffered in many other ways. Now I am perfectly well and much stronger than I was ten years ago. I am fifty-three years old, and the mother of ten children. I never feel tired since taking your Vegetable Compound,"
